**ORDER**

Abraham Fisch filed a motion to obtain copies of his former attorney's witness interview notes. (Docket Entry No. 425). These notes are filed under seal and the court has reviewed them *in camera*. They are the former attorney's work product and he opposes their additional production to Fisch. The court's review also discloses that the former attorney has made his case files available to Fisch's current attorney. No further production is ordered.

The motion to obtain, (Docket Entry No. 425), is denied.
